DETAILED ACTION

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 03/29/04 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement has been considered by the examiner.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The assignee's reissue application declaration filed on 07/16/03 has been approved. The declaration changed the inventorship of the original patent U.S. Patent No. 5,803,590 so as to include Rick W. Kauffman as part of inventorship. No certificate of correction to change the inventorship is required under MPEP 1412.04 and the change of inventorship has not been contested. Furthermore, due to the recent rule change to 37 C.F.R. 1.178, a surrendered ribboned copy of the patent is no longer required. Thus, the case is allowable for the same reasons stated in applicant's amendment and response filed on 05/19/1997 (paper #9 of U.S. Patent 5,803,590).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
